IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants: R. SAHARA et al
Application No.: 10/736,673
Filed: December 17, 2003
For: SEMICONDUCTOR INTEGRATED CIRCUIT DEVICE
Art Unit: 2819
Examiner: D. CHANG

STATEMENT OF SUMMARY OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

February 22, 2006

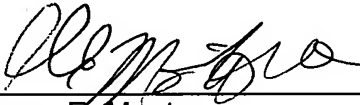

Sir:

Appreciation is expressed to Examiner Daniel Chang for his courtesy and helpfulness during a telephone interview conducted on February 17, 2006 regarding the above-identified application. During the course of the telephone interview, Examiner Chang indicated that the application is in condition for allowance based upon the amendment filed on November 29, 2005, with the exception of a minor informality regarding the abstract. Specifically, Examiner Chang indicated that the abstract should be amended to be in a single paragraph format, rather than the present two paragraph format. Accordingly, the undersigned attorney authorized Examiner Chang to proceed to amend the abstract to be a single paragraph by way of an Examiner's Amendment. Applicants and the undersigned attorney express their appreciation to Examiner Chang for his indication that he would attend the correction of this informality by an Examiner's Amendment.

If the Examiner believes there are any other matters which can be clarified or otherwise disposed of by way of either a personal or telephone interview, he is invited to contact Applicants undersigned attorney at the number indicated below.

To the extent necessary, Applicants petition for an extension of time under 37 CFR §1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Antonelli, Terry, Stout & Kraus, LLP Deposit Account No. 01-2135 (Docket No. 520.43336X00), and please credit any excess fees to such deposit account.

Respectfully submitted,
ANTONELLI, TERRY, STOUT & KRAUS, LLP
